The feeling of fast moving action pulsates through the heart of Manual High School. From the brisk days of autumn, to the cold of winter, then to the freshness of spring and the anxiety of summer, action, as well as excitement, is ever present. It is felt in the winning catch of a touchdown pass, or the silent process of a student thinking his way to a college scholarship---both are striving to achieve the best. In the very near future the action created by the student body will be only memories. This does not mean these efforts are forgotten--they become a part of the past which shapes the student's future. Every step in life must be prepared for and planned. Young people of this fast moving era realize this; thus, all of the exhilarating time spent in the halls and classes of Manual are planned actions--actions to bring pride to the Manual graduate.

ADMINISTRATION

School administration is the function of the principal, assistant principal, dean, and coordinator. Although much of their time is spent in personal counseling and student discipline, they still expend an equal amount of time with their administrative duties. The principal works with the community as well as the central administration. The dean coordinates activities and P.T.A. functions. The assistant principal is responsible for safety drills and deciding each semester's schedule of classes. The coordinator assists teachers in their job and secures materials and textbooks for classes. Administration is one of the ingredients which makes Manual the great school it is.

The interests of the Manual faculty extend far beyond the mere instructing of students in a classroom. Not only do they teach, but they also actively involve themselves in all aspects of high school life, from sponsoring a club to helping students with problems after school. In the classroom, the faculty tries to make each course an exciting educational experience. This is extremely important because the success or failure of a student depends on how much effort he will put forth in a class. This effort is influenced by the teacher and his method of teaching. It is certain that many a student has found success and inspiration as a result of the efforts of the Manual faculty.

CURRICULUM

The schedule of classes at Manual High School provides opportunity for all students to find programs which will prepare them for those goals they have selected in life. Those skills which are necessary for communicating with others are brought to the student in English classes. Written and oral communication are stressed in regular classes as well as speech, while the student is introduced to the world of literature and is encouraged to enjoy reading in all classes. Elective classes allow the student to study drama, journalism, and creative writing. Students gain knowledge of mathematical fundamentals and use of critical and analytical thinking in mathematics courses, all levels of mathematics are taught. The variety ranges from basic and general mathematics to college level courses. The Science Department offers courses designed to give the student enjoyment as he learns. Science students meet in classes regularly and attend laboratory sessions before or after school. All of this hones the keen mind demanded by a desire for scientific knowledge.

All history, past and present, is explored in its fullest in classes presented by the Social Studies Department. Classes of special interest to Manual students are unique Afro-American History and Latin American History. Classes in American Government, economics, psychology and sociology are also offered by this department. New languages become fun and easy to learn in classes from the Language Department. With classes as the language laboratory, students practice listening and speaking in languages as Spanish, French, German, English, Russian and Italian.

CURRICULUM

The Business Education Department is designed for students interested in acquiring the fundamentals of the business world. Proficiency in typing, shorthand and other business practices are stressed in these classes. "The universal language" of music is brought to the Manual students through a variety of programs. The vocal and instrumental areas of music are taught, as well as music theory. Knowledge of music from early to modern, from classical to modern, is offered to students by the Music Department. Remaining physically fit is the main objective of the Physical Education Department. Exercises and sports are taught in these classes, while students may specialize in classes such as gymnastics and modern dance. Those students who wish to learn about military life in addition to physical training may find this covered for them in the R.O.T.C. program. Specialized groups such as drill teams, rifle teams and color guards offer both boys and girls the chance to participate. The Art Department encourages the creative ability of its students. Appreciation of good art, drawing, painting and sculpturing enable the students to express their artistic inclination.

Julianne Johns pins a pattern to material.

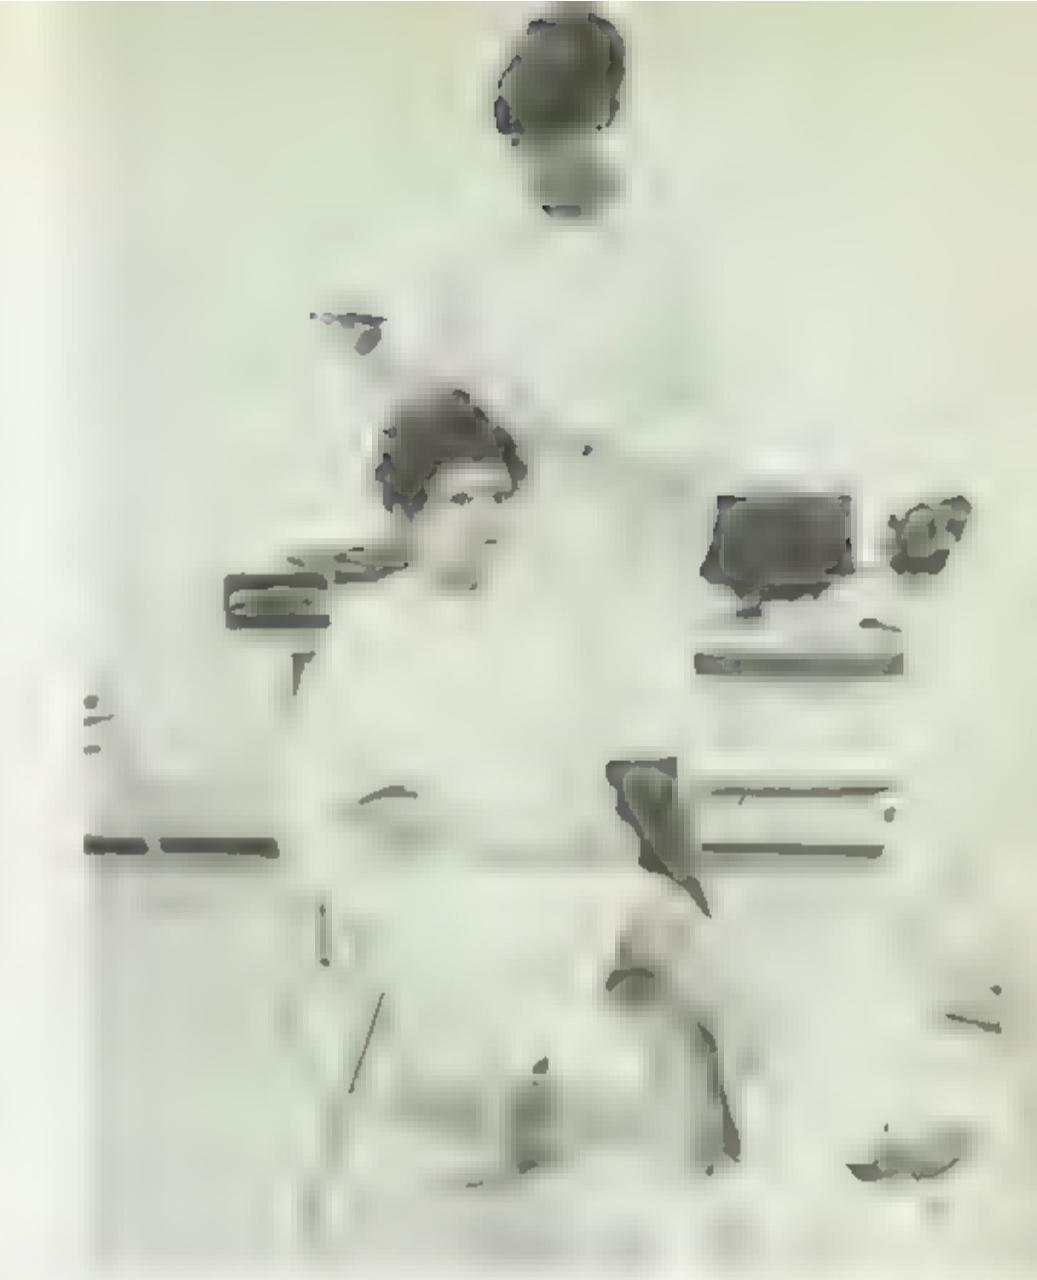

Mrs. Stults instructs students on sawing techniques.

The Industrial Arts Department offers courses to students interested in working with their hands. A wide variety of courses, which include the new career vocational program let students do everything from building wooden objects to designing and building houses. Future home-makers learn many of the fundamentals they will need in home economic classes. Food classes teach the art of cooking delectable meals as well as being an excellent hostess. Sewing allows the student to gain knowledge of designing and making a good wardrobe. There are many special programs available at Manual. Those students who need additional assistance may find it in special education classes. Girls who wish to become beauticians may take this course. It provides a wide variety of experience from homemaking to business.

The efficient operation of our school is due in part, to the efforts of the clerical staff. Typing, keeping accurate records, maintaining the files, distributing school supplies, and dispatching special notices to students and teachers are among the variety of duties of the office clerks. The treasurer handles all of the financial transactions of the school, from collecting club dues to handling payment for lost books. They perform a very necessary service for Manual.

CUSTODIAL STAFF

The custodial staff is instrumental in the maintenance of our school building. Without this hard-working staff, a desirable learning atmosphere could not be obtained. Their duties range from keeping the halls and classrooms clean to maintaining a constant flow of heat and water. Certainly the custodial staff is a necessary factor in Manual's efficiency as a teaching institution.

LUNCHROOM STAFF

Many a student's famished stomach has been filled by the lunchroom staff's nutritious and appetizing meals. The preparation of these meals require many hours of hard work. The lunchroom ladies have to bake, cook, serve, and handle payment for lunches, besides keeping the kitchen clean. The lunchroom staff has done a commendable job throughout this school year.

STUDENT COUNCIL

Student Council is the governing body of Manual High School. Among the purposes of the council is promotion of school spirit and stimulating activity in the student body. Under the direction of Mr. Nordby, this year's council was instrumental in supporting Mr. Ward's beautification plan and sponsored the Sadie Hawkins and Sweetheart Dances. The council is composed of elected representatives of the three classes and clubs and organizations. The Student Council strives for better intra-school relationships through exchange programs with other schools.

THUNDERBOLT STAFF

As one group the Thunderbolt Staff aimed for its one goal - to put forth the Thunderbolt Yearbook. With the panic screams for candids, copy, and options, all members of the staff learned the skills of good management, and salesmanship as well as working as a unit and not necessarily individuals. The moment of satisfaction in the staff is when the Thunderbolt arrives and the familiar words are said, "Will you sign my Yearbook?"

Miss Pamela Phelps
Advisor

Keeping the students and faculty supplied with up to date information concerning Manual is the function of the "Bolt Action". Under the direction of Miss Pamela Phelps, the paper was enlarged this year and contained news on all sports as well as regular feature stories and editorials. The staff of the "Bolt Action" published a paper every three weeks during the school year. The news staff participated in various outside activities which included the High School Journalism Day at C.U. and C.S.U. and the annual Press Day at D.U.

ART CLUB

The primary function of the Art Club is to provide an opportunity for those students who are interested in art to work on projects dealing with this area. Aside from individual activities, such as drawing, painting, and working with ceramics, the club put up a Christmas bulletin board and a Good Sportsmanship display. Field trips are also among the activities of the Art Club. These included the Denver Art Museum, Chapelle House, and an African Ballet at C. U. The sponsor of the Art Club is Mr. Mel Carter.

BOWLING CLUB

The Manual Bowling Club had a very successful year. This club gives its members the opportunity to compete in organized leagues and improve the individual bowler's skill in this popular sport. The members of the club sponsored their annual "Luck of the Irish Sweepstake" on St. Patricks Day and gave away many valuable prizes. The club defeated West High School in a proud victory, and received a trophy for their win. The club, under the sponsorship of Mrs. Edens, is looking forward to another outstanding year.

F.B.L.A.

The members of the Future Business Leaders of America at Manual High School are encouraged to prepare for careers in the business world. This club realizes the necessity for young people to prepare for positions of responsibility in our country in the near future. F. B. L. A. members make many excursions to business establishments and are introduced to the various aspects of business life. School projects include sale of refreshments at school productions in their stylish red blazers. The sponsors, Miss Matsuda, Mrs. Sheffield and Mr. Gypher, guide the members in their quest for knowledge of business enterprises.

F.T.A.

Members of the Future Teachers of America are informed about education and how to prepare to become teachers. With guidance from Mrs. Biffle and Mrs. O'Connell, the club has had a most meaningful and educational year. The members of the club have taken several field trips and have had various speakers visit club meetings. A major project for this year was a tutoring program at two elementary schools in the northeast Denver area

Y-Teens endeavor to develop personality traits which will enable each member to be of service to her school and her community. It encourages good scholarship, clean thought and wholesome living. The club sends representatives to various Y-Teen conferences and has held after-school dances and sales to help finance the activities.

JUNIOR RED CROSS

N. Bernal, R. Garcia, S. Benavidez, D. Stanley, R. Smittick, M. Boone

Every year, the J. R. C. members provide gifts and entertainment for various hospitals throughout the city. Other activities include participation in the Santa Claus workshop, the State J. R. C. conference, and in leadership camp. The Junior Red Cross is dedicated to serve both the community and the school by serving others. Members of the club strive to better human relations. Also the Junior Red Cross is open to any student who is interested in helping others.

KEY CLUB

SECRETARY-TREASURER DONALD BELL
VICE PRESIDENT JAMES HUMPHREY
PRESIDENT CLIFFORD WEDGEWORTH

The Manual High School Key Club is sponsored by the Capital City Kiwanis of Denver, and is composed of young men in the school who are concerned with active leadership. The members exhibit significant and meaningful service to our school, community, home, and nation; they subsequently extend a positive influence on the lives of people with whom they come in contact. The faculty sponsors are Mr. Beagle and Mr. Maes. The Key Club had another basketball game this year, which they won by a score of 54 to 48 over the faculty.

The primary objective of the Latin American Club is to promote harmony between Hispanic students and their school environment. Members hear guest speakers and participate in various discussion groups. This year they attended workshops at Regis College, Loretta Heights College, and Metropolitan State College. Other activities of the club include the city-wide council and the parent-student banquet. The Latin American Club, sponsored by Miss Irene Martinez and Miss Pauline Martinez, serves Manual both as a social and service organization.

LATIN CLUB

The Latin Club is composed of those students who are currently studying, or who have studied Latin. Appreciation for classical literature, art, and architecture of ancient Rome is encouraged in all members. Knowledge of Roman life and customs is acquired through the various activities of the Latin Club. These activities include the December "Saturnalia", a Valentine's Day party honoring Cupid and Venus, and the annual Roman Banquet. As members of the Junior Classical League, this group attends the State Latin convention, and represents Manual in many projects and contests.

The Speech Club provides the opportunity for its members to develop character and self-confidence through individual expression. During the year the club participates in city and state contests with other area high schools. Speakers compete in debate, extemporaneous speaking, original oratory, interpretation of oratory, humor, drama, and poetry. Mrs. Marcia Clinkscales, the club's new sponsor, was very proud of three members who won places in the district competition and went on to win honors in the state meet: Diane Fowler in dramatic interpretation, Terry Dawkins in interpretation of humor and Bernerd Pryor in interpretation of oratory. With the example set by these members, next year's Speech Club has excellent goals to reach.

Those students who are interested in science and medicine as a future career are encouraged to join the Scarabs and Pre-Med Club. To be accepted into the club, one must have recommendation from a teacher, a "B" average, and agree to be a laboratory assistant for one semester. Members of this club gain more knowledge and insight in the science field by attending lectures and tours. One of the main projects of the Scarabs and Pre-Med Club is the construction of leis which are sold on Color Day. Other activities include the installation tea and Scarab breakfast.

The cheerleaders represent one of the most active and vivacious groups at Manual. The main purpose of the cheerleaders is to increase school spirit and the support of the academic teams. They have accomplished this by doing the pep club in cheers at the games, selling athletic tickets and booster buttons, painting spirit posters, and staging rallies. It is certain that the year of '69 has been raised to greater heights by this group's hard work.

The spirit of Manual has been shown through the Thunderbirds in many ways this year. At games, rallies, and events, such as Homecoming and the Thunderbirds Banquet. For the first time this year our Thunderbirds have had a class period where projects for the community have been created. The girls' cooking talents and art abilities have been exhibited to former students and area hospitals.

The Thespian Club of Manual High School strives to produce satisfactory, if not above average, actors and actresses. This is a group for students who are interested in the fields of stage, screen, and television. The Thespian Club, along with helping the students in the dramatic field, also helps them to understand the history of the dramatic arts. They learn to appreciate great playwrights and authors such as Goldsmith, Shakespeare, and Dunn. Under the watchful eye of Mr. Ralph Beagle, the Thespian sponsor, the Thespian Club has reached new and better dramatic insights.

GERMAN CLUB

The German Club strives to increase its members' awareness of the language, culture, and mores of Germany. Members of the club hear visiting speakers and take excursions to places involved with German culture. A notable event this year was a trip to the German Consulate. Social events are also included in the club's activities. German Club members sponsored a unique computer dance in which boys and girls were matched by a human computer, Mr. Slaughter, the club sponsor.

KARATE KATA

The objective of the Karate Kata is to cultivate character, sincerity, etiquette, and self-discipline through the physical art of Karate. Karate is a type of self-defense that does not use weapons of any kind.

Members of the Karate Kata are taught the fundamentals of Japanese Karate, Judo, and the Korean style of defense. In order to remain or be in the Karate Kata, members must show self-perfection in the classroom as well as in the sport.

CONCERT BAND

MR. HUGH AVIS
DIRECTOR

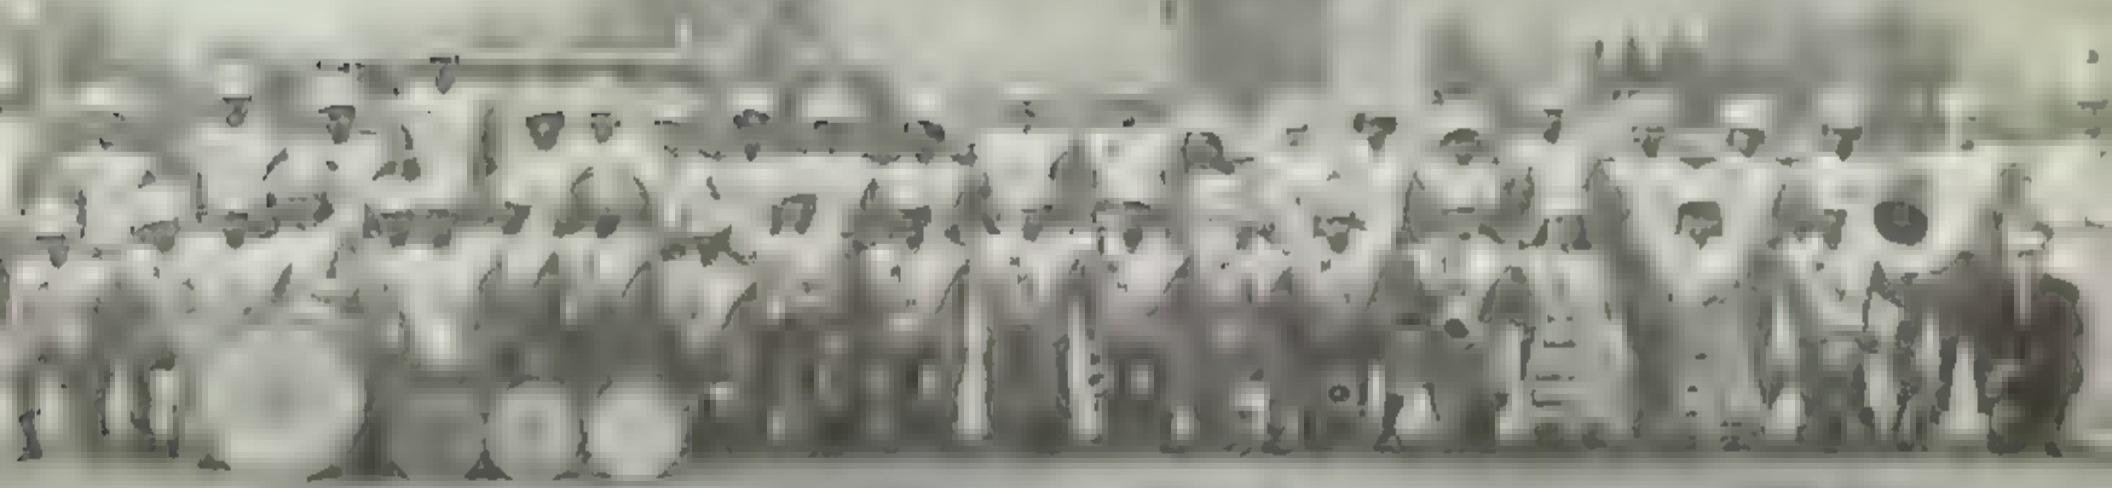

The Manual High band, in their attractive blue uniforms, has been very active throughout the 1968-69 school year. Among the activities in which the musicians participated were the homecoming festivities of Palmer High School in Colorado Springs, the half-time demonstration during Manual's homecoming and marching in the Veteran's Day Parade. This outstanding group held exchange concerts with East High School, performed at Littleton High School, as well as many elementary and junior high schools in the city. The versatility of the band was further demonstrated in the annual Christmas program.

Manay's Concert choir, better known as the Singing Hundred, has been responsible for many school programs as well as several out-of-school performances. Among these were 100+ appearances downtown during the Christmas season, a concert tour to Fort Collins and Windsor Gardens. Merely it said selected the choir to put on four shows for their morning school sponsored program. Under the direction of Mr. Robert Johnson and Miss Mary Ann Barragon the Singing Hundred, with outstanding enthusiasm and wonderful musical ability carried on the fine tradition set up by past members of this group.

CONCERT ORCHESTRA

Under the direction of Mr. Hight Avis, the Concert Orchestra provides music for teas, programs, and assemblies throughout the school year. The orchestra made an outstanding contribution to this year's all-school show, "Fly Blackbird". They were the first orchestra in the history of the production to provide full musical accompaniment. Members of this group are encouraged to appreciate the cultural aspects of music, both classical and modern.

STAGE BAND

Members of the Concert Band who display outstanding musical talent make up the Stage Band. This group performs in programs throughout the year, both in and out of school. They made a large contribution to this year's all-school musical, "Fly Blackbird". The group, under Mr. Avis' direction, journeyed to many elementary and junior high schools, as well as clubs to present their fine musical program. Manual can be proud of this musical group.

ADVANCED CHOIR

The advanced choir prepares singers in the finer aspects of music, so that they may progress into the concert choir. The members of this group, under the direction of Miss Maryanne Branagan, performed several times during the year including the annual Christmas program. Understanding of music, from its earliest beginnings to modern times is presented to the students of the advanced choir.

MADRIGAL SINGERS

Those members of the concert choir who are outstanding in their musical ability are selected for membership in the Madrigal Singers. This group of singers supplement the programs of the concert choir and present many programs as a separate group. Mr. Robert Johnson, director, is extremely proud of this group, who this year for the first time, purchased and wore a distinctive outfit for their performance.

The Reserve Officer Training Corps is an organization where leadership, citizenship and scholarship are well displayed. The various areas of military life are shown to cadets through the leadership of Lt. Col. Ramsey and his assistants, Sgt. Wright, Sgt. King, Sgt. Newman, and Sgt. Hart. Cadets may find valuable experiences through participation in such extra-curricular activities as rifle team, color guard, drill team and honor guard. The Staff is supported by the Honorary Cadets who are also members of the girls' drill team. Manual has the largest Cadet Corp in the city of Denver, and it is one of which Manual can be proud.

UP, UP, WITH SPORTS

To enter the competition in the 1937 State Meet, the students of the University of Miami will have to do their best. The competition will be held in the University of Miami's stadium on March 10. The competition will consist of three events: the high jump, the long jump, and the triple jump. The competition will be held in the afternoon.

"THE IMPOSSIBLE DREAM"

Cynthia Harvey and Jimmie Jefferson were crowned King and Queen at Manual's annual Sweetheart Dance, "The Impossible Dream." Sweetheart King and Queen candidates were as follows: Stephanie Fox and Darrell Proctor, Humphrey and Rozalinn Gibson, Minnie Lopez and William Ornelas, Jeanie Potts and Harold Mason. Dancers found themselves floating through a "dream world" of pink and lavender surroundings and thoroughly enjoyed a romantic evening to music provided by the Imaginations.

Manual High School had the distinction of being the first high school in the country to present the musical, "Fly Blackbird". This production is a satire dealing with the civil rights question. Outstanding performances were turned in by Karen Brockman and Archie Stone as the romantic Josie and Carl Cherie Williams as the matron. Terris Newell as Sweet William Piper, William Ornelas as Dr. Crocker, Bernerd Prver as Officer Jonsen, Linda Sims as Big Betty, and Pam Duncan, Russell Rosborough and Ray Vasquez as students. The directors of "Fly Blackbird", Mr. Hugh Avis, Mr. Ralph Beagle and Mr. Robert Johnson, were assisted by a number of persons including Miss Maryanne Branagan, Mrs. Sandra Dillard and Mr. Larue Darden. Sets and art effects were created by Mr. Mel Carter and Mr. George Wathen. This was a unique experience for Manual which was enthusiastically received by its audience.

Information, enthusiasm and entertainment are offered to the student body through rallies and assemblies. The highlights of this year's assemblies were the Christmas program presented by the Music Department, the fencing exhibition and the assembly featuring R. C. Owens, ex-Baltimore Colt football great. Rallies helped to strengthen school pride and create support for our athletic teams. The pep club and Student Council sponsored the rallies.

The Manual Varsity gridders began the 1968 season with an impressive 19-0 victory over the Westminster Warriors. An improved showing in league play found the Thunderbolts finishing in sixth place with a record of three wins, four losses and one tie. The Bolts were victorious over East, West and Kennedy, and earned a tie with South. The Manual eleven dropped tightly contested games to Lincoln, Jefferson, North and Washington. In the opening league game the Bolts were not able to mount a consistent offense or defense and lost a 27-0 decision to the Lincoln Lancers. City champion Jefferson proved too much for the developing Thunderbolts and defeated Manual by a 21-0 score. The next contest found the Thunderbolts outplaying South but having to settle for a 20-20 tie recorded on the scoreboard. One of the most significant victories of the season came as the Thunderbolts defeated traditional rival, East, in an impressive 33-14 victory. Continuing their winning ways the Manual eleven came from behind in the second half to defeat a determined West team 26-13. The Bolts were surprised by the North Vikings giving up costly fumbles which enabled North to win 13-12. Returning to their winning ways the Thunderbolts came from behind to spoil Kennedy's homecoming. The Manual grididers were impressive in their 26-19 triumph over the Commanders. The final game of the season found the Bolts losing a hotly contested game to the Washington Patriots by a close 13-7 score. The continued improvement this season in the play of Manual's football team should be a portent of greater achievement in the coming year. This was a season of which the Thunderbolts can be proud.

The Thunderbolt Sophomore footballers, under coaches Gardner and Shikles, were taught the fundamentals of winning football. Even though finishing in fifth place, the Manual Sophomore gridders gave every team a "run for their money" and showed promise of many outstanding additions to future varsity squads.

JUNIOR

The Manual Junior Varsity gained valuable experience which will add strength to next year's varsity eleven. The J.V.'s finished third in the league standings and displayed much versatility in being strong competitors in each game. The determination this team showed will be an asset for next year's campaign.

The cross country team finished eighth in the final league standings. This does not reflect the quality of performances turned in by the dedicated harriers. Ruben Sharp, Charles Poe, and Tom Perez worked constantly to improve their skill in cross country competition. The members of this team, under Coach George Wathen, gained much valuable experience which should prove important in developing strong competitors in the future.

The tennis team, due to lack of experience, failed to post a team victory. Only four returning lettermen, Frank Benavidez, Rick Wheeler, Stanley Shofner, and Phillip Carbone were available to assist Coach Nordby in his building program. In spite of this, the netters showed a great deal of versatility and depth. The underclassmen performed creditably in all matches, and should continue to show improvement in next year's standing.

The Marine's Varsity basketball team under coach Eddie L. Way had an impressive season in 1969. The boys opened their play by downing two non-league opponents Boulder, 89-72, and Sterling, 85-54. Moving into the Central Springs Invitational, Denby, the Marauders defeated Mitchell by a 82 to 74 score, and Palmer 91-85 before dropping their first game in the tourney to the West Cowboys, 69-57. Two other non-league games were won by Marine, as they downed Aurora Central, 84-83, and M. H. R. by a score of 81-3. In league competition the Marauders went undefeated and won the city championship. They opened at home with the Washington Patriots and won 86 to 74. They defeated the Scots, 54-41; a score of 86-53. Marine avenged the loss to West by downing the Cowboys, 90-60. Their final two wins came over Jefferson, 69-64, and on Jan. 102 to Kenney, 164 of North, 2-53, ending with an 80 to 67 win over traditional rival East.

As city champions, Manual moved into the District 2 tournament. There they defeated Brighton, 86-63, and Washington, 71-69, which earned the Bolts a berth in the state tourney. The Thunderbolts were favored to win the tourney and appeared on their way as they easily defeated the La Junta Tigers by 102-82. The next night Palmer was defeated by a record 104-85. The stage was set for an all Denver final as Manual met the South Rebels for the state crown. The Rebels played a controlled game and went on to down the Bolts by the score of 69-53. Larry Farmer, James Humphrey, Jimmie Jefferson and Cliff Wedgeworth were selected for all-tourney teams. This team represented Manual proudly, and with the impressive showings made by the Junior Varsity and Sophomore teams, Manual can look forward to an exciting season next year.

The Manual grapplers showed improvement over last year's record, as they finished in 5th place in the final league standings. Under the guidance of a new coach, Norman Speak, outstanding performances were turned in by Howard Gardner who took second place in city in the 165 lbs. division, and went ahead to compete in the state tournament. Others were Mike Scott at 120, Gregory Scott at 103, and Frank Daniels at 180, all of whom won fourth place in their respective weight division. Misfortune came late in the season to Mario Muniz who broke his ankle in practice. Mario was a possible city champion and his loss was a blow to the team. A fine crew of Juniors and Sophomores gained valuable experience which should give Coach Speak a more competitive team next year.

Mario Muniz is victorious!

The Manual swimming team finished 8th in the city standings. Although the men's team were not in competition for the title, several strong individual performances demonstrated a potential of a more improved show at next year. Since the team was comprised mainly of undergraduates, prospects appear for one of the most successful seasons next year. Coach Ryan received outstanding performances from all swimmers as William Onofre, Bradford Augustus, Charles Blackman and John Brooks.

The 1969 Manual track team gives all indications of being one of the leading contenders for both the city and state championships. With a strong group of returning lettermen, and a promising array of newcomers, the Bolts should prove to be strong competitors. The Bolts may look for outstanding performances from Clemmy Nevels, Charles Poe and Clifford Wedgeworth. The Manual track team should provide an exciting and profitable season.

VARSITY BASEBALL

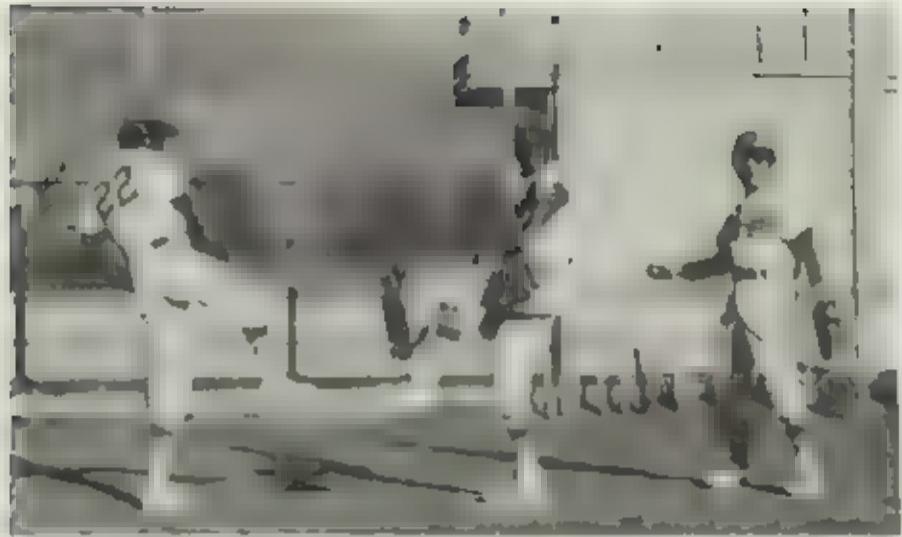

This year's baseball team should succeed in proving that "We're tough enough in '69". Through the untiring and conscientious efforts of Coaches Ryan and Bobb the baseball team is expected to exhibit their agility, speed and skill. Other characteristics which make a winning team. The baseball team is a good example of what a good THUNDERBOLT IS. The players have spirit and continue to encourage their fellow teammates on to a victory. By means of long, exhausting hours of practice and hard work the Manual High School baseball team will represent Mendota in a most commendable manner this season.

GYMNASTICS

The Manual High School gymnasts should prove to be strong competitors in city competition this year. Under the direction of two new coaches, Mr. Speck assisted by Mr. Quintana, the team in early season displayed form which promised continued improvement in highly co-ordinated events. Impressive performances by performers such as Bradford Augustus, Curtis Mallory, Richard Mentov, Tom Perez and Tom Sawyer should enable Manual's gymnastics team to display the untiring effort which leads to championship form.

CLASS OF 1971

Action in the Sophomore Class has taken many forms - from eager participation in school activities to the effort used in making their class one of the best. Just beginning their high school life they have met each new experience with action. It is this action that makes experiences meaningful, disappointments enlightening and obstructions into triumphs. With this year as a foundation the Class of 1971 should continue into their Junior year with many contributions to Manual High School.

CLASS OF 1970

More sure and more self-confident, the Junior Class entered the second year of their high school life with increased activity and vitality. Spontaneity and creativity were their guides as they actively competed for Color Day points and recognition. As the year unfolded, the Junior Class' presence was clearly felt. Until graduation, the opportunities of tomorrow will certainly be used by the Class of '70 for complete success.

CLASS OF 1969

Action comes to its peak in the Class of '69. The pace has been faster, the memorable moments have passed too quickly, and the realization that the years at Manual have ended enters the graduates' minds. Wholeheartedly supporting activities sponsored by school and class, the Seniors have tried to leave their mark on Manual. Triumphant in success and fast of action, the Class of 1969 leaves with ever-greater glory waiting for them.
